Welcome to Our Club

The Strathpine Spitfires Little Athletics Centre welcomes you and your family to the 2024/2025 Season – Our 47th Season.

We would love to welcome back our returning families and give a warm welcome to all of our new athletes and families. Since our beginning in 1977, our centre has continued to be one of the most successful in Queensland. We are currently the eighth oldest surviving Centre in the State. Little Athletics is a sport for children aged 3 to 17 years that offers a wide range of track and field events.

At Strathpine Little Athletics, our season runs from end of August 2024 to March 2025. At each competition evening we offer a range of track and field events specifically modified to suit the age and abilities of children. The philosophy of Little Athletics is 'Family, Fun and Fitness' and the focus is on participation and improvement. Our Club is run solely by volunteers. Therefore, in order for each competition evening to run efficiently, we require the help of ALL parents/carers. Please get involved wherever you can, and feel free to ask any of our wonderful committee and volunteers questions if you are unsure of how you can get involved.

Please read through this handbook before the beginning of the season. The majority of your questions will be answered in this handbook. If you do have any further questions, please feel free to message us on our Facebook page or email secretary@sla.org.au. We will often post important information on our Facebook page (<https://www.facebook.com/strathpinespitfires/>) or our Website (<https://www.sla.org.au>), so please regularly check these for updates.

We hope you enjoy the season!

Centre History

A Steering Committee was formed during 1977 to look at establishing a Little Athletics Centre in the Strathpine area. In September 1977, the Strathpine Little Athletics Centre was established at the Pine Rivers High School oval. The Centre was the twelfth Centre to be established in Queensland and is presently the eighth oldest surviving Centre in the State. From those humble beginnings, the Centre flourished and recorded 293 registered athletes in the 1990/91 season. This led to the eventual transfer of the Centre to John Oxley Reserve at the start of the 1992/93 season.

Why have we chosen the “Spitfire” as our Mascot?

During World War II, one of the most important events that occurred in the Pine Rivers region was the formation in 1943 of the 548th and 549th Spitfire Squadrons that were based at Strathpine and Petrie. The squadrons were made up of a mix of Australian and British personnel and the Lawnton showgrounds became a camp for the RAAF pilots.

While camped at Strathpine, the 548th Squadron lost two men, Squadron Leader Henry Wright and Sergeant Alan Chandler, when their planes were involved in a mid-air collision on the 19th April 1944 near Youngs Crossing. Two months later, the squadrons were posted to Darwin to take a more active role in the aerial defence of Australia. Spitfire Avenue, the site of the A2 airstrip, along with several other streets were named to commemorate the Spitfire Squadrons. Some thirty-three years later, the Strathpine Little Athletics Centre was established and operated from the playing fields of Pine Rivers State High School. These fields were bordered by Spitfire Avenue, the site of the A2 airstrip.

As a means of preserving both our Centre and local history and to honour those who fought and died while protecting our country, it was decided to form a link with the RAAFA by naming our Centre after the Spitfire Squadrons that were once located in this area.

How do I find out what is happening at our Centre?

This centre handbook contains a wealth of information about our centre. **The majority of questions we are asked, are answered in this handbook – so if you do have any questions, please use this handbook as your first port of call.** Throughout the season, we will regularly update you with important information on our Facebook page (<https://www.facebook.com/strathpinespitfires/>) or our Website (<https://www.sla.org.au>), so please regularly check these for updates. If you still can't find out what you need, please privately message us on our Facebook page, email us at secretary@sla.org.au, or use the contact details on pages 3 and 4 in this handbook.

Cancellations Due to Weather

The Centre Management Committee will make every endeavour to conduct the competition for each scheduled meeting, however bad weather can intrude. As a general rule, competition can be held in light intermittent showers with the exception of high jump, hurdles and javelin. If rain is continuous, there is lightning or if the fields have had a large amount of water in the proceeding days, it is likely that competition will be cancelled.

In the case of wet weather please check our Facebook page from 4:30pm on the day of competition for updates to see if our events are proceeding.

Little Athletics Queensland (LAQ)

Little Athletics Queensland (LAQ) is the governing body for Little Athletics in Queensland. Their website (<http://laq.org.au>) contains a wealth of information about Little Athletics and contains a variety of resources that you can access to further your child(s) athletic development.

Philosophy: The philosophy of the Little Athletics movement is summed up in the slogan:

"FAMILY...FUN...and...FITNESS"

How do I register my child for Little Athletics?

1. In early July, a link to our Online Registration site will be posted on our Facebook page & website.
2. Complete the online registration.
3. Payment to be made online.

Online Registration Steps

All registrations must be completed online.

To access this information, go to sla.org.au → 'How to Register' tab.

Our centre uses RegistrationsHQ for online registrations. At the beginning of each season, we open a link that will take families to our Centre's RegistrationsHQ area. This link will not open until early August. We will notify everyone when the link opens on our Facebook page. Once you click on this link, **new families** will need to create a family profile and add members to their profile. **Returning families** can login using their ResultsHQ username and password from last season.

New Families: Click 'I Don't Have an Account'

You will need to create a family profile. The username and password you create will be the username and password you will use to access your child's results each week. We suggest making your username your email address.

Returning Families: Login using your ResultsHQ username and password for last season

If you have forgotten your login or password, click either 'Retrieve Details' or 'I've forgotten my password'.

If you have any difficulties with registering online, please email secretary@sla.org.au

Parent Help Levy

The Strathpine Little Athletics Centre is run **SOLELY BY VOLUNTEERS**. Committee members and officials are not paid for the work they do running the Centre. Much of this work goes on 'behind the scenes' throughout the whole year, with the day-to-day administration of running such a large sports club taking up many hours.

Each Friday night competition, it takes up to **80 PEOPLE** to run the program properly and efficiently. The Centre is heavily dependent on parent help to operate smoothly and quickly. Lack of parent help can result in lengthy delays at events, so it is in all our best interests to lend a hand.

As a parent of a Strathpine Little Athletics Centre athlete, **it is a requirement that you commit to helping 10 nights throughout the season**. At the beginning of each season, **each family is charged a Parent Help Levy of \$80. If you complete the required 10 nights of parent help, your Parent Help Levy of \$80 will be refunded**. This season **we are introducing another factor to parent help, where you must help a minimum of 5 times for your athlete to be eligible to receive an award at the end of season**. There are **22 nights of competition throughout the season**, so this is a very reasonable and attainable number.

This season we will be re-introducing a paper-based sign-up – this will be found in your age group folder. Simply put your name and athletes name under the position you will be doing that night. There will also be separate sign-up pages for other areas IE. Set Up, Pack Up and Canteen.

WE WILL NOT COMMENCE COMPETITION UNTIL ALL OF THE AGE GROUP POSITIONS ARE FILLED.

If you have any questions about the Parent Help System or how you can get involved, please contact us on our Facebook Page, or email us at secretary@sla.org.au.

NO PARENT/GUARDIAN → NO COMPETITION

Please note that we have a strict policy that states: "If children do not have a parent or designated carer on the ground at competition evenings, they will not be allowed to compete until a parent or guardian arrives."

Uniforms

*****PLEASE ENSURE THAT YOUR CHILD IS WEARING THE FULL AND CORRECT UNIFORM AT EVERY COMPETITION NIGHT AND CARNIVAL*****

The centre uniform must be worn at all centre, regional and association competition meetings. Athletes who do not wear the correct uniform at regional and association events will not be permitted to compete by event officials. **Athletes who choose to wear the singlet or crop top MUST wear their club shirt when they are not competing.** This is a sun safety and modesty issue, so these athletes are expected to have their competition number displayed on both their singlet/crop top and their club shirt.

Registration numbers are to be attached to the shirt/singlet/crop top front. **The 'Coles' patch must be attached on the right breast area of the shirt/singlet/crop top.** Age labels are to be sewn onto the left sleeve of the t-shirt. **For athletes wearing a singlet or a crop top, their age label must be attached on the left outer thigh of the athlete's shorts/bike pants.**

Correct Badge Placement:

Footwear

Footwear is compulsory at ALL competitions in ALL EVENTS for both track and field. Shoes specifically designed for other sports (e.g. football boots) may not be worn. Spike shoes are only permitted for athletes in U11 to U17 age groups. The maximum length of spikes is 9mm on Grass and 7mm on Tartan surfaces. Athletes in U6 to U10 age groups are not permitted to wear spike shoes (this includes spike shoes without spikes or blanks).

"I'm not sure if my child wants to sign up for the whole season, but they would love to give it a go. What can we do?"

If you aren't sure whether your child will enjoy little athletics, you can do a 2-week trial. You can register for a 2-week trial online. This allows your child to participate in the events designated to their age group, so that they can get a feel for what little athletics is all about. The 2-week trial costs \$20 per athlete. If you choose to sign up after the 2-week trial, we will deduct the \$20 trialist fee from your registration fee.

"What events will my child be competing in?"

The events offered to each age group are varied, as they are modified to match the growth of the athletes and encourage skill development. To view what events your child will compete in, see page 33 of this handbook.

"Will competition be on if it's raining?"

The events on offer at little athletics can be conducted in rain. We will cancel competition only in very strong weather conditions or if the grounds are closed by council. **A CALL WILL NOT BE MADE UNTIL 4:30pm**, so please refrain from contacting us until then.

WE WILL NOTIFY EVERYONE ON OUR FACEBOOK PAGE AT 4:30PM.

Introduction to Teaching Little Athletics Skills Course (ITLAS)

How can I become a coach?

We are in need of more coaches!!! We are actively encouraging parents to become involved in coaching. The good news is that Little Athletics Queensland offers many Introduction to Teaching Little Athletics Skills Courses (ITLAS Courses) each season. The course is great for parents who want to know more about the skills of the sport so that they may help to coach children of Primary school age, assist at Little Athletics Centres or prepare students for school athletics carnivals. Participants are shown drills, skills, games and activities relevant to the target age group.

WE STRONGLY ENCOURAGE PARENTS TO COMPLETE THE ITLAS COURSE!

Course Details:

- **The course duration is 6.5 hours.**
- The course provides a detailed overview for all event groups on the Little Athletics track and field program.
- There is no exam.
- Participants must be at least 16 years of age.
- Costs of the course include a coaching manual, attendance certificate, relevant literature and morning/afternoon tea.
- For more information visit <http://laq.org.au/Coaches/>

*****If you are interested in attending an ITLAS Course – Please message us on our Facebook page, or email secretary@sla.org.au.**

Introduction to Officiating Course (Level 0)

How can I become an official?

ALL PARENTS ARE STRONGLY ENCOURAGED TO COMPLETE THE LEVEL 0 – INTRODUCTION TO OFFICIATING ONLINE COURSE.

The Introduction to Officiating Course (Level 0) is a short online course designed to assist parents and volunteers by providing an overview of the basic skills they will need to officiate effectively. This course also provides parents with a better understanding of how each event runs. We are in need of more event officials to assist in the running of our weekly competitions. **We strongly urge all parents to follow this link to complete the Introduction to Officiating (Level 0) Course.**

Codes of Conduct

Little Athletics Queensland (LAQ) recognises the importance of providing a safe and enjoyable environment for all those who participate in Little Athletics across Queensland. To ensure this, LAQ developed the 'Zero Tolerance Policy' and 'Code of Conduct' to outline the expectations of all involved in the Little Athletics community. We at Strathpine Little Athletics adhere to these policies, and expect all athletes, parents, volunteers and other members of our centre to adhere to their relevant 'Codes of Conduct' and to the 'Zero Tolerance Policy'. The emphasis of Little Athletics is on 'Family, Fun and Fitness' – thus in all we do, we endeavour to foster a fun and supportive environment for all in our Centre.

Zero Tolerance Policy:

SAVE THE DATE: SUNDAY 4 May 2025

Eligibility for End of Season Awards

To be eligible for any of the centre's awards **an athlete must compete in 60% of the events offered by the centre in the season** (i.e. in a 22 week season an U6-10 athlete may be able to compete in approximately 88 events so would be required to participate in 53 events & an U11-17 athlete may be able to compete in approximately 110 events and so would be required to participate in 66 events to be eligible for an end of season award). This is regardless of when the athlete signs on.

Awards

Age Group Most Improved Trophies and Participation Trophies/Medallions:

The emphasis of Little Athletics is on personal improvement and participation. Thus, we award athletes who have shown significant improvement and consistent participation week in and week out.

In each age group we award three trophies to the 3rd, 2nd and Most Improved Athletes. These are calculated using the following points system:

- Personal Best = 2 points for every personal best.
- Equalling a Personal Best = 1 point.

The remaining athletes receive a participation medallion.

Age Champion Award: An athlete in each age group, boys and girls, will receive an Age Champion Trophy based on their best performance in each event during the season. This is calculated on a points system similar to a pentathlon. This award celebrates athletes with a consistently high level of achievement across each event discipline.

Perpetual Trophies: We also award six perpetual trophies each year. The criteria for these awards are displayed on pages 21 - 23. These awards are:

- Most Improved Boy & Most Improved Girl
- George Harvey Award
- Brian Leadbetter Award

RAAF 'Spirit of the Spitfire' Award

In keeping with our proud relationship with the Pine Rivers RAAF Association, a perpetual award is generously donated by the Pine Rivers branch RAAF Association. This award is awarded to the Strathpine athlete who achieves the highest points score at our annual pentathlon event. At this event, athletes compete in 5 events comprising usually of a sprint race, distance race, hurdle race, jump event and throw event. Their performance in each event is awarded points weighted against the current Strathpine Centre Best performance for that event and age group. We believe that this criteria recognises an athlete who demonstrates a high level of ability in multiple events, as well as providing equal opportunity for all athletes to receive the award.
